

Goji Fusion™

The first pure goji juice blended with the Amazonian camu-camu fruit.

CAOH™ has been expertly producing goji juice since 2003. Our Juice is always 100% pure and organically processed.

A one ounce serving of our great-tasting, all natural, organic goji berry & camu-camu juice blend, taken one to three times daily, provides powerful antioxidants, vitamins, natural energy, and immune system enhancers.

In August 2006 California Academy of Health released the industry's first Goji and Camu-Camu juice blend. We took an already amazing product and "Synergized" it. We not only added more pure Goji (*Lycium barbarum*) juice, we added one of the planet's most potent sources of natural vitamin C, the Camu-Camu fruit. Our Goji Fusion packs an amazing 250 mg of natural vitamin C per fluid ounce and possesses all four unique *Lycium Barbarum* Polysaccharides (LBP).

The Goji berries and Camu-Camu fruit in our juice are wild-harvested (hand-picked) when at the peak of ripeness. They are then cold-pressed and flash-pasteurized to preserve their freshness and the natural levels of all bioactive compounds. Our growers personally pick out the best lots of Goji and Camu-Camu before the rest are taken to market. We pay a little more for our raw product but it's worth it. This new combination of superior raw ingredients creates a synergy of both flavor and healthful qualities, making our pure Goji juice the hands-down leader in the marketplace today.

IMPORTANT NOTE: We produce new batches of our juice monthly. Because we are dealing with natural fruits from various parts of the world, with varying growing seasons, **the color and flavor may vary slightly, batch to batch, as would any natural whole juice product with no additives.** The base juice formula (ratio of raw ingredients) is always consistent.

OUR GOJI JUICE IS:

CERTIFIED KOSHER - CERTIFIED VEGETARIAN - CERTIFIED PESTICIDE FREE - CERTIFIED CHEMICAL FREE

NUTRIENT PROFILE OF THE GOJI BERRY:

- Four unique immune enhancing Polysaccharides (LBP1, LBP2, LBP3 & LBP4)
- Nineteen essential and non-essential amino acids
- B-Complex vitamins
- More vitamin-C by weight than oranges
- Over 20 minerals and trace minerals, including germanium and selenium
- Disease fighting chemicals like: betaine, physalin and beta-sitosterol
- High natural vitamin E content

MORE GOJI FACTS:

- Goji (*Lycium barbarum* L.) has been found to be one of the most nutritionally dense foods on the planet! Scientists have discovered many unique qualities and properties contained within this special berry.
- Goji contains specific phytochemicals that have been validated in peer reviewed journals.
- Goji contains plant sterols that are structurally similar to cholesterol and are characterized by their anti-atherogenic properties.
- Goji possesses a potent bio-active chemical known as "Lycium Barbarum Polysaccharide-Protein Complex." This complex has been shown to inhibit tumor growth and stimulate the immune system.
- Goji possesses strong free-radical scavenging properties. Goji is a potent anti-oxidant.
- Goji polysaccharides (LBP1, LBP2, LBP3 & LBP4) are potent adaptogens (protecting the body when under stress).
- Chemicals found in goji possess strong anti-aging effects and may one day be a treatment for Alzheimer's disease.
- Goji has been used for ADD/ADHD, allergies, arthritis, athletic performance, cancer, chronic fatigue, depression, diabetes, fibromyalgia, high blood pressure, immune stimulation, sexual enhancement, weight reduction and more....
- New research suggests that goji can enhance the activity of, a potent antioxidant, superoxide dismutase throughout the body.

NUTRITION FACTS[#]: Serving Size - One (1) Fluid Ounce (30 ml), Servings Per Container - 32 (946 ml - 908 g)

Goji Juice 100% Juice Blend	Per Serving Value*	% Daily Amount
Goji Juice (<i>Lycium barbarum</i>)	24 ml	**

* Percent Daily Values are based on 2000 Calorie diet. ** Percent Daily Value not established.

INGREDIENTS: 90% pure, wild-harvested, cold-pressed goji berry juice (*Lycium barbarum* L.), with a proprietary blend of pure camu-camu (Amazonian: *Myrciaria dubia*) and other 100% natural fruit and berry juices. WE DO NOT ADD WATER to our juice, NOR DO WE USE CONCENTRATES; it's just 100% pure juice. Even though the practices used to grow and harvest our raw ingredients conform to stringent USDA Organic Certification criteria, we still have them tested for pesticides and heavy metals. Our Goji juice is produced in an FDA inspected laboratory.

SUGGESTED USE: Shake gently before opening. As a dietary supplement, take 2-4 tablespoons (1-2 oz.) or more in the morning or evening before meals. Goji Fusion™ may be mixed with water, another juice, or into a smoothie. Please refrigerate after opening.

SAFETY INFORMATION: This formula does not contain preservatives, solvents, additives, fillers, yeast, wheat, corn, soy, or milk. Always consult with a healthcare professional before using any nutritional supplement or starting any nutritional program. Do not use this product if you have a known allergy to any of the ingredients contained in this product.
